

Rating: **91** *Robert Parker's Wine Advocate*

Il Borro 2013 PIAN DI NOVA

75% Syrah, 25% Sangiovese

"The 2013 Pian di Nova is an approachable blend of three parts Syrah and one part Sangiovese. You get the opulent richness of the first grape and the bright, easy-drinking acidity of the second. The wine is aged in barrique for 14 months.

The Syrah is harvested and put into cold storage overnight before being de-stemmed and pressed. This excellent entry wine offers cherry, spice and grilled herb aromas. It is an absolutely perfect pasta pairing partner and that's saying a lot."
