

Col di Lamo ROSSO DI MONTALCINO 2015

"The 2015 Rosso di Montalcino showcases dark, pretty intensity with ruby highlights. This vintage is beaming with dark fruit aromas that span from cherry to wild raspberry. There is a plump, full and opulent side to the wine that you don't always get with Rosso. You do get it in this sunny vintage. This is another excellent but informal wine to pair with roasts or pasta with meat sauce. Only 6,600 bottles were made."
