SHANNON RIDGE 2024 SAUVIGNON BLANC

THIS SAUVIGNON BLANC PRESENTS ENTICING AROMAS OF MANGO, PASSION FRUIT, AND CITRUS. ON THE PALATE, IT REVEALS VIBRANT FLAVORS OF GUAVA AND GREEN APPLE, ALL BALANCED BY A RACY ACIDITY THAT ENHANCES ITS CRISP, BRIGHT FRUIT PROFILE.

INSPIRATION

At elevations peaking at 2,300 feet, overlooking Clear Lake and majestic Mt. Konocti, our organically farmed vineyards benefit from volcanic soils, intense sun exposure, and temperature variations. They offer distinctive mountain fruit resulting in complex, balanced, full-bodied wines with both intensity and elegance.

VINTAGE

The 2024 year began with lower-than-average rainfall in the spring, followed by intense summer heat waves. This resulted in fruit with remarkably concentrated flavors and beautiful profiles. The Reds are dark and complex, the Whites are aromatic and intense. As the complexity and concentration of the fruit reached optimal levels, our crews worked diligently to ensure a timely harvest at peak conditions. The 2024 harvest was short but intense, yielding a fantastic vintage with amazing potential. We're all very excited to share the results with you.
