SELECT RESERVE BOURBON WHISKEY

First matured as Bourbon Whiskey in new American Oak barrels for a minimum of 12 months, then double barrel finished in imported, first poured, 20 year old age-soaked Port barrels imported from Portugal, this expression named itself.

All barrels in Cadée vaults are carefully prepared and regularly checked for flavor. Everything about this spirit is so unique and exclusive, we knew these barrels would birth a truly great whiskey.

Colin Campbell, Crafter Of Spirits
Cadée Distillery

A TRULY GREAT, DELICIOUS WHISKEY

ABV: 42.5% / 85 proof
Handmade in small batches on the Isle of Whidbey, Washington.
Aging: Aged in new American Oak barrels and then finished in imported 20 yr old French Oak Ruby Port barrels
Nose: Hints of light apple, nuts and charred oak. Letting it open up for a few minutes the scent profile changes to something quite different with the nuttiness mellows out and is dominated by cinnamon, spiced apples and fresh wood.
Tasting Notes: Flavors of apples, fruit punch, sugar and strawberries, its sweet without being overpowering. Very subtle and enjoyable. Nuttiness found in the nose reappears in the finish together with notes of new oak, Caramel and lingers for some time with the nuttiness flavor being the note that carries through. The influence of the port barrels is evident without being too overpowering.

You've never tasted anything like Cadée Deceptivus Bourbon Whiskey.
