

SELECT RESERVE RYE WHISKEY

This Rye Whiskey was first matured in new American Oak barrels for a minimum of 12 months, then double barrel finished in French oak casks previously used for maturing rich, 20 year old Port in Portugal.

The casks were transferred to the distillery's No.1 vault, the Isle of Whidbey's oldest maturation warehouse. Located at sea level on the shores of Port Clinton, the spirit was left to mature under nature's care. The young Rye developed into one of the most incredible whiskies we have produced. With an aroma rich in port, cocoa, dark cherries, toffee, chocolate and mature oak on the palate, the concentration of flavors is inimitable.

Colin Campbell, Crafter Of Spirits
Cadée Distillery

INTERNATIONAL AWARD WINNER

THE BEST RYE IN THE WORLD

ABV: 43.5% / 87 proof

Handmade in small batches on the Isle of Whidbey, Washington.

Aging: Aged in new American Oak barrels and then finished in imported 20 yr old French Oak Ruby Port barrels

Nose: Well balanced, mellow rye with a rich malt edge. Deep color with a good nose offering malt sweetness and dried fruit. With an aroma rich in port, cocoa, dark cherries, toffee, chocolate and mature oak on the palate

Tasting Notes: Rye spice sparkles throughout yielding to a long finish with hints of vanilla, tobacco and light wood notes.

Open up this rye with a splash of water and you'll taste a smooth, lingering finish unlike any other rye.

Cascadia gently rolls over the tongue like waves to the shore.
Created at Cadée distillery in Port Clinton.
