

DOMAINE OLLIER-TAILLEFER

LES COLLINES ROUGE

GROWING REGION:

Languedoc, France
Faugères (importantly, the highest zone of Faugères)

TERROIR:

Schist soil. Altitude 250-300 meters.

GRAPES:

Syrah	30%
Grenache	50%
Carignan	20%

VINIFICATION NOTES:

Hand-picked and de-stemmed. Aged in tank.

TASTING NOTES:

For red wine, the schist geology translates into decidedly dark fruit profiles and inky, long, and very mineral--think slate--wines.
