

DOMAINE DE LA CHEVALERIE

DIPTYQUE

GROWING REGION:

Bourgueil, Loire Valley, France.

TERROIR:

From several parcels of vines growing in gravelly, sandy, and clay-sandy soils. Farmed biodynamically.

GRAPES:

Cabernet Franc.

VINIFICATION NOTES:

The élevage is a short 4-6 months in concrete vats with sometimes a small proportion done in older barrels. Light maceration. 1,500 cases annually.

TASTING NOTES:

A vin de soif--an easy, deliciously quaffable wine, one that is immensely expressive of the central Loire Valley. Serve with a slight chill.
