

LA CLOSERIE DES LYS
LES FRUITIÈRES ROSÉ

GROWING REGION:

Limoux, Languedoc, France.

TERROIR:

Soils are clay and limestone situated at altitudes from 350-500 meters. The climate is Mediterranean with a wide diurnal range, especially during maturation.

GRAPES:

Blend of Cinsault, Grenache, Syrah and Merlot.

VINIFICATION NOTES:

After pressing, juice settles and clarifies in stainless steel vats. Fermentation occurs at low temperatures. Wine rests on the lees for malolactic fermentation in steel for 4-5 months.

TASTING NOTES:

Great fruit both on the nose and the palate with distinct notes of strawberry and black currant. Great on its own, but pairs well with cheeses or seafood.
