

STEELE CUVÉE CHARDONNAY 2021

VINEYARDS

Our Cuvée Chardonnay is a unique wine which blends Chardonnay from two different vineyards to produce the quintessential California Chardonnay. We source from Barnes Rd Vineyard in Russian River Valley, Sonoma, Smith Lane Vineyard in Big Valley District, Lake County.

WINE STYLE & TASTING NOTE

We ferment the majority of our Cuvée in barrel and age the wine sur-lie for about eight months. The Lake County fruit adds a tropical character to the wine, flavors and aroma of mango, pineapple, and papaya. The Sonoma vineyards attribute citrus character and acid to the Cuvée.

FOOD PAIRINGS

Halibut with a white wine beurre blanc sauce would complement the complex flavors of the Cuvée Chardonnay nicely.

TECHNICAL NOTES

APPELLATION Sonoma and Lake Co.
ALCOHOL 14.5% PH 3.51 TA 0.6g/100mL RS% 0.6
BARREL AGING 12 months in French oak (30% new)
