

SAVIGNY-LES-BEAUNE ROUGE 1ER CRU AUX PEUILLETS 2019

The Aux Peuillets is situated on the lower part of the Pommard-side slope. Its deep soil, and long-ripening period (due to its north-east exposure), gives an intense, fleshy wine brimming with black cherry Pinot Noir fruit, which is very appealing when young. Lebreuil made 125 cases in his first vintage of Aux Peuillets.

The 1^{er} Cru is aged in barrels that are 25% each new, 1 year, 2 years and three years old.
